## Out of the generosity of Christ, each of us is given his own gift. Ephesians 4:11-12

David McDonald of DMMI (David McDonald Ministries International) is a spiritual father to many and well known as a dynamic teacher with a prophetic anointing with strong gifts in words of wisdom and knowledge. He is experienced in developing leaders and establishing church plants in South Africa, Australia and the USA. With a passionate character and large sense of humour, he has ministered in four continents to all levels of society, races and cultures.

**David's passion is to encourage ordinary people** to take a leap of faith and do extraordinary things in churches and with God. He now travels around the world and is at home ministering in big and small churches, crusades, or home group meetings. He has faithfully served in the local church all his Christian life and his ministry is geared very much towards building and restoration of the local church.

**DMMI's vision and purpose is to teach on the prophetic** using prophetic schools etc. David and his team travel to nations teaching and holding conference meetings and ministering to the body of Christ around the world.

**Having travelled to over 40 nations**, training and teaching church leaders, tutored at Bible schools and in addition to developing and writing teachings and programs for Bible Schools, David also had a television ministry in the United States for a time.

David has been able to expand his **teaching gift** as he has been requested to talk at churches and meetings around the world. His heart is for those who are hurting and has a compassion, sensitivity and freedom in the Holy Spirit that is refreshing and brings a strong presence of God. While traveling Africa as an evangelist, David has been blessed to make wonderful friends and see many come to Christ in his meetings.

Above all David has compassion for God's word, and this is communicated whenever he ministers. He is committed to minister wherever God leads him; locally, nationally or internationally. He currently resides in Hawaii with his wife Dee, daughter Gaby and son Daniel, while his oldest son Jon is married and lives in Australia.

**"My heart and passion is to see the Church totally Kingdom committed."**

**Answering the call of God** on his life he joined Rhema Bible College, where he also met his wife, Dee.

**Established DMMI** where over 25 years of travelling extensively as an international speaker and planting 75 churches worldwide in countries including: Uganda, United States of America and Australia.

**David was senior pastor and pioneer** at 'Victory Life', in Toowoomba Australia and has handed over to his spiritual son, Pastor Jimmy Njino. At the same time David established successful programmes and prophetic schools across the nation and a key figure to introduce Psalmody to many churches and Bible schools.

**David has been heavily involved in micro-business** and infrastructure development in third world countries, mainly Uganda, and aided community groups in interpreting economic opportunities by training indigenous leaders in skill development, business development and social development. He then supports and counsels pastors and provides them with all the resources they need to support their local communities. The church in Toowoomba financially supports over twenty villages in Uganda.

David has published material and programs for Bible schools around the world.

*I have seen David's prophetic ministry be very instrumental in directing people onto God's path for their life. The accuracy and poignant manner in which he ministers is awe inspiring. The Holy Spirit truly moves through him.* Pastor Bill Hollingsworth
